## Three Great Clothing Purchases.

Free Watches With Men's Suits or Overcoats.

Fine Clothing Was Never Bought and Sold So Cheaply.

The makers wouldn't permit us to use their names in advertising these three purchases. They sell regularly to many of our competitors, that's why. It's the best made ready-to-wear clothing that the world knows. There's just that swing and finish that distinguish the high-class material and trained workmanship. Yet prices here to-morrow will be lower than those of any other store in New York.

Come Expecting a Great Deal—You'll Be Thoroughly Satisfied. Store Open all the Evening.
